

Health Insurance Solutions for Small Employers

(2-50 employees)

Our partners at JRG Advisors recommend **“right-fit” coverage and administration service options** to meet your business plan and budget.

And we don't stop there. Our dedicated customer service center is available to your employees and their family members.

Further, we identify how the Affordable Care Act applies to your situation to help you achieve compliance with the law and avoid costly DOL fines and penalties.

For more information on our health insurance and employee benefits solutions, contact us at **1-800-377-3539**.
