

## HR Resources & Expertise

My Benefit Advisor provides our clients with complimentary access to a comprehensive HR solution through our partnership with ThinkHR. ThinkHR product suite offers live support, training courses, and an online library to enhance the HR Department of small- and mid-sized employers.

### ThinkHR Comply

A continually updated information database with the most recent policies, laws, and best practices for quick reference as well as access to robust tools, including an Employee Handbook Builder.

### ThinkHR Live

Gives you an entire team of Human Resource advisors available via phone or email to provide useful advice, offer a second opinion, or coach you through urgent issues.

### ThinkHR Learn

Provides you with a library of online training courses for a variety of topics to offer your employees with no required software.
